Dear Classmates,

The Brass Door Restaurant in San Ramon will be the setting for our final 65th Reunion Luncheon and Brunch. We have reserved the private room so we can converse and say goodbye to our fellow classmates. The Brass Door caters to seniors and special food needs can be accommodated. There is a no-host bar. Food choices are listed on the next page.

This reunion will conclude our wonderful 65 years together since graduation. It has been a great run! We have experienced great fun and a very special camaraderie over all these years. As children of a Greatest Generation, we are a unique and special group who watched in wonder as television was developed, even walked to school with our friends and had few cares or concerns about the world around us. This was a glorious age in which we were fortunate to grow up.

Our class web page at <http://www.mumma.org/SLHS/> will continue to be maintained so you can always look at the archived pictures of your classmates and relive the many events we have attended since graduation. Please continue to keep Joan informed of any changes to your addresses, telephone numbers or email addresses. Also, let Joan know by telephone or email of the passing of any classmates.
