

Mary Ann [Fox] Cossey

Oct. 24, 1933 - Feb. 7, 2013

Resident of Moraga

Mary Ann, passed away in her sleep surrounded by her loving daughter Marrison and her beloved four legged friend Taz in Moraga California, her home for the last 44 years.

She was the loving wife of Ralph Cossey until he passed away in April 2005 and although she missed him terribly, she remained a strongly independent woman, maintaining their Moraga home while enjoying bocce ball and bowling with many of her Moraga neighbors. Mary Ann was a deeply religious woman with angel like qualities, always ready to lend a hand to anyone in need. Much of this stemmed from her work at Eden Hospital in Castro Valley where she managed the x-ray department for over 40 years

In Moraga, she was a parishioner at St. Monica's Church, and the President of the Moraga Lion's club for two terms. She was a very loving mother and wife and loved her family dearly. Her favorite time of year was always the Christmas holiday season because it guaranteed the family would be together. During this time of year, Mary Ann would always welcome new friends with open arms and a warm smile. She always made everyone feel comfortable. Anyone who had the pleasure to meet Mary Ann, invariably, was amazed by her spirit and kindness. Her children, Donna, Wendy, Marrison and Lance, their spouses Richard, Al, and Justine, her grandchildren, Kahuna and Tony and her furry friend Taz survive her. She will be deeply missed. "Someday we will all be together again in a far better place." A memorial service will be held for Mary Ann on Friday February 22 at 10:30 in the morning at St. Monica's Catholic Church 1001 Camino Pablo Moraga, Ca. 94556 No Flowers Please, just kind thoughts and great memories.
